

## TYLER SLANE

Vice President

**T** Tyler Slane is the Vice President of Celmark Development Group ([www.celmark.com](http://www.celmark.com)), a prominent commercial real estate developer based in Columbus, Ohio. After graduation from Bowling Green State University with a Bachelors Degree in Construction Management and a Minor in Business, Slane began his career more than 13 years ago with Turner Construction Company, the largest general builder in the United States. Tyler was a significant part of construction teams at Turner on prominent projects such as the Nationwide Children's Hospital Replacement Hospital, Huntington Ballpark, Hilton Columbus Downtown and Genesis Medical Hospital in Zanesville, Ohio. Amongst Tyler's vast experience in the construction of medical facilities, he also specialized in building envelop systems and LEAN Construction techniques.

Since 2014, Tyler has been in charge of project personnel and construction for Celmark Development Group, a full service real estate development and construction firm focusing on child day care centers, medical facilities, student housing and multifamily properties in Columbus, OH and Austin, TX.

Since joining Celmark in 2014, Tyler has gained considerable experience in the construction and development of multi-family and multi-use projects. As Tyler plays a dual role at Celmark, by not only running all construction operations, he is also heavily utilized in an Owner's Representative role in Celmark's development projects. It's this type of full circle project approach that makes Celmark a strong, knowledgeable and dependable partner.
